- 5) This login page is for clients only .

LIS APPLICATION MANUAL

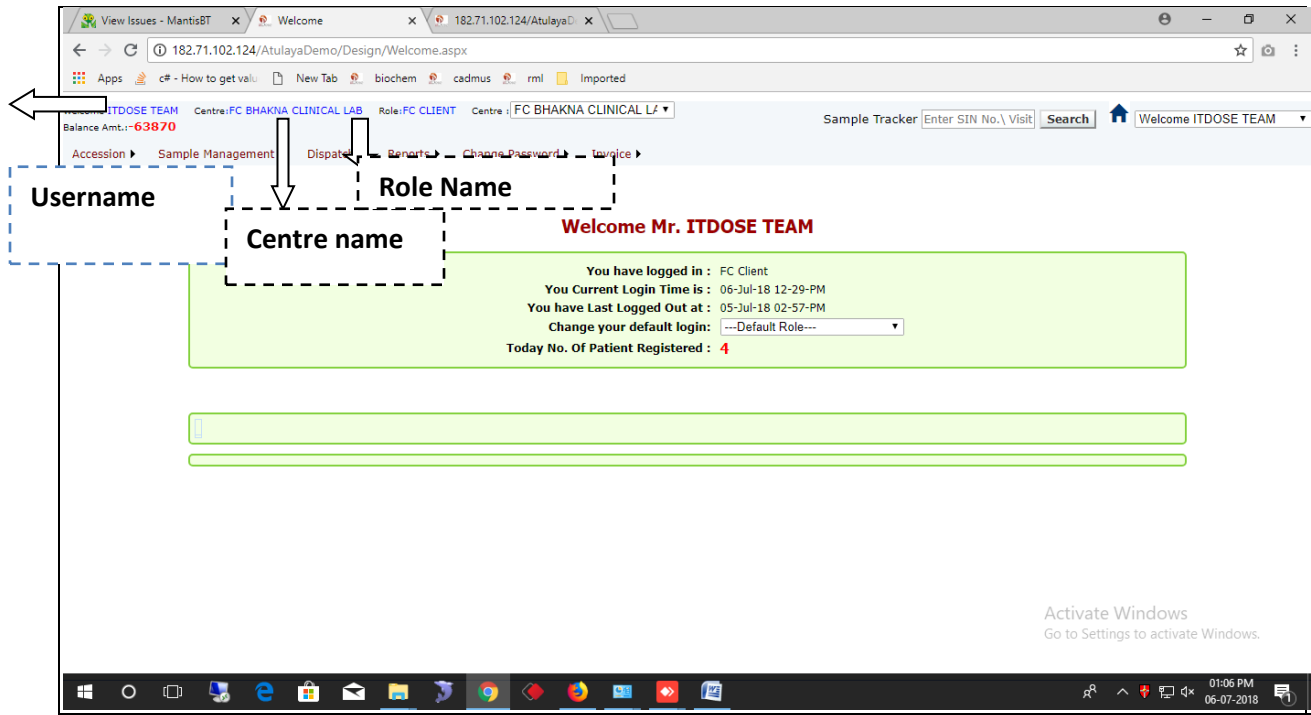

This is the main login screen for the employee login.

The screenshot shows a web browser window displaying the login page for the LIS application. The browser's address bar shows the URL: 182.71.102.124/Atulaya/Design/Default.aspx. The page title is "Atulaya Healthcare Imaging & Laboratories". The main content area is divided into two sections. On the left, there is a large red logo for "Atulaya HEALTHCARE Imaging & Laboratories" and text indicating the corporate office location in Chandigarh. On the right, there is a "User Login Area" with a dropdown menu for "User Type" set to "Employee", and input fields for "User Name" and "Password". Below these fields are "Login", "Cancel", and "Forgot Password?" buttons. At the bottom of the login area, there are links for "Set Home Page" and "Add To Favorites". A copyright notice at the bottom of the page reads: "Copyright © 2017, Atulaya Healthcare Imaging & Laboratories, All Rights Reserved". The Windows taskbar at the bottom shows the system tray with the date and time: 02:51 PM, 25-06-2018.

➤ **FC Client**

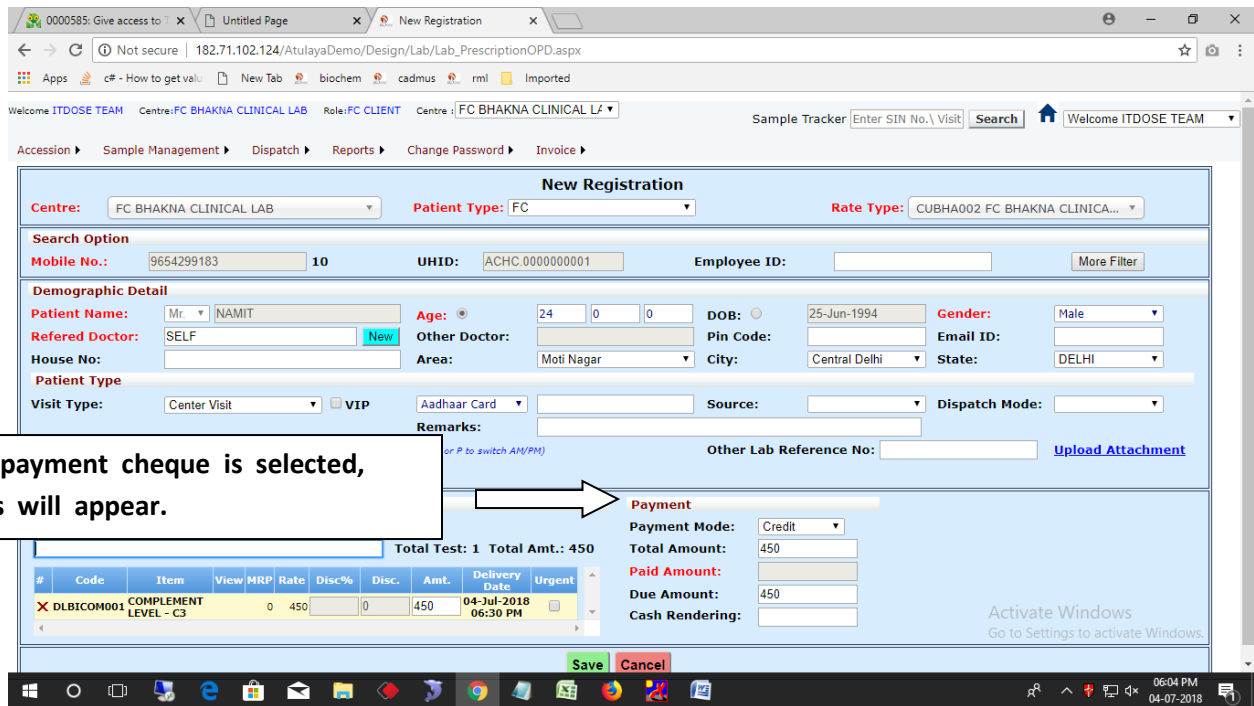

From this screen, the patient can track the sample status by entering **SIN No./Visit Entry No./Barcode no.** in the **sample tracker** option. **If the Received Amount is less than credit limit then It will blink in red color, if the received amount is greater than the Intimation limit, it will blink in green color.**

1) Work Order

The work order page is used for registration of new patient. The fields marked in red are mandatory fields, it can't be left blank when doing registration. We can create new doctor by clicking New option and then the popup will appear for creating new doctor. The new doctor created from here will first be verified by admin, then if admin approves the same the doctor is added to the masters.

The bank details name, cheque no. and cheque date has to be mentioned when the payment is done by cheque.
